## The csv export of filtered curves is a bit hided.

Go RETIport- Analyse, then printout

Here you click "Show Controls", it will extend the Window with more Settings

Printer		
\\ws\HP LaserJet Profes	sional CP1020 Se 👻	Setup
Groups	Print Out	Preview
1_Scotopic 0.01 ERG (GF) 2_Scotopic 3.0 ERG (GF) 3_Scotopic 10.0 ERG (GF)	Print to File	Export <u>C</u> SV
4_Scotopic 3.0 Oscillatory I 5_Photopic 3.0 ERG (GF) 6 Photopic 3.0 Flicker 30H:	Colored	

Here you check "Extended CSV Version" and click "CSV Settings..."

	rint / Export
